

Dear Freestyle Students and Parents,

If your child is interested in helping with basic skills classes, please fill out the form below.

Please remember that helping on the ice is a big responsibility, and requires a certain level of commitment. These are the requirements:

- *wants to teach
- *knows how to behave in a professional manner
- *can accurately demonstrate elements through basic 4
- *can take charge when asked

A schedule will be posted on the bulletin board one week prior to the beginning of each month. All "coach's helpers" are expected to be on time to each scheduled class. They will also need to exit the ice when that class is finished. Please call Tiffany @ (307) 200-1368 if your child has to cancel, so I can find someone to take their place.

A quick meeting for all interested "coaches helpers" will take place in the lobby of the rink immediately following freestyle class on Friday, October 4th. We will be discussing professional behavior on the ice, and good demonstrating techniques. Please fill out the form below if your child is interested.
